**Go fishing** on the Talkeetna, Susitna and Chulitna rivers which come together half a mile from the Talkeetna Bed & Breakfast. Our own, as yet unnamed, lake occupies one acre of our property and extends as far as the eye can see beyond.

Other streams and lakes are nearby. King Salmon, Silver Salmon, Sockeye Salmon, Chums and Pinks are found in the rivers. In lakes you'll also find Rainbow Trout, Dolly Varden and Arctic Grayling. You can fish from our dock where float planes can land, or rent one of our canoes or rowboats.

**Visit Denali** National Park, which is only a few miles from the Talkeetna Bed & Breakfast and the view from Talkeetna is breathtaking. Spend the day in one of the most spectacular parks in the world.
